

Breakout rule for 2024

United 8 Breakout time for 2023 is **15.7** seconds.

If at anytime during the Qualifying or Feature event you Breakout, for the time listed in your division, you will pull out of line and allow 3 cars to pass you. Once the third car is completely past you, you may resume race speed. You will not have to lose a lap to serve your penalty. If you are at the back and there are less than 3 cars behind you, you only need to let the cars pass that are ahead of the leader.

If you Breakout in the last 3 laps and cannot give up the 3 positions safely, you will be docked the 3 positions at the end of the race.
